

The International Symposium on Frontier in Chemical Engineering: The 17th Annual Conference of the Global Chinese Chemical Engineering Scholars (GACCE-2025)

Queenstown and Auckland • New Zealand • Aug. 13-18,2025

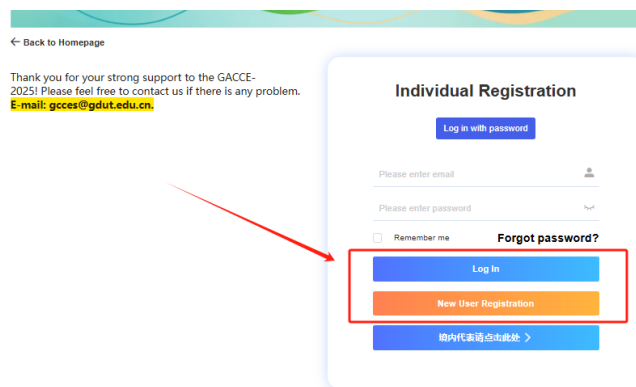

Registration Guideline for International Participants

If you DON'T have a Chinese cell phone number, please use your email address for New User Registration via the channel for "International Participants".

1. Click <https://gacce2025.scimeeting.cn/>
2. Enter, select the conference registration button, and enter the conference information registration.

3. On the account password login or email login interface, select "New User Registration" or "Login" to enter the information filling interface.

- Follow the prompts on the page, fill in personal information, and click "Submit Now" after completing the information.

Note: must select **oversea location** rather than China as your "Country/Region" when filling the registration otherwise the website will automatically redirect to Chinese version which requires a working Chinese cell phone number.

Please enter

* Family Name

Please enter

* Country/Region

Please select

Telephone

Please enter

Chinese registrants please input phone number to access the RMB payment platform.

* Gender
